## August 2022

**MARS BASE CAMP**  
4-H STEM CHALLENGE

August 3rd, 4th, 5th

LeRoy Branch Library 10:30am-11:30am

The Challenge theme of space exploration takes youth on an out-of-this-world adventure and makes connections to the 4-H pillars—STEM, civic engagement, healthy living and agriculture. The challenge activities allow youth to develop inquiry, observation, and problem-solving skills with the mark, discover and develop their STEM identities. Mars Base Camp is ideal for youth ages 8 to 14 years to spark an interest in STEM and inspire real-world actions. This event is free to attend. Activity kits will be provided. Open to all, not limited to 4-H members.
